

Fusion Techstack Limited (ICEX)

Unlisted Share Financial Report - ISIN INE678L01012

Company Overview

Indian Commodity Exchange Limited (ICEX) is a SEBI-regulated, online commodity derivatives exchange headquartered in the Mumbai region, offering a nationwide electronic trading platform via member brokers. ICEX lists contracts across commodities and is noted for launching the world's first diamond futures contract; it expanded further after its amalgamation with the National Multi-Commodity Exchange (NMCE) in 2018, which broadened its product base and market reach. The exchange operates a demutualized structure and provides clearing and settlement services to participants, including hedgers and traders. Corporate and registered office details, governance, and membership information are available on its official site.
